Job Description:

We are looking for DZ Truck Drivers to operate a water truck in the GTA performing duties such as filling water tanks, spraying roads and dust control. Based out of our Queensville yard

Perform mandatory circle checks on trucks before driving them to ensure that mechanical, safety, and emergency equipment is in good working order

Perform periodic inspections before, during, and after assignments

Maneuver trucks, following signals from site crew as needed; check that vehicle position is correct

Operate communication equipment such as truck cab computers, and telephones to exchange necessary information with bases, supervisors, or other drivers

Maintain logs of working hours and of vehicle service and repair status, following applicable provincial regulations.

Deliver product and proper paperwork to our customers in a courteous and timely manner

Must be professional, respectful & courteous when dealing with customers, general public and coworkers

Must be dependable and be able to manage time effectively to ensure maximum efficiency

Must keep equipment clean and in good condition (cleaning materials provided & report equipment deficiencies to onsite mechanics)

Skills Required:

- We require a good safety and driving record and the highest degree of dependability.
- Valid DZ driver's license & clean Driver's Abstract
- Must be safety oriented and report to each shift with full PPE (CSA approved hard hat, safety shirt/vest & work boots)
- Able to drive using a manual transmission, able to work long days, flexible work hours & weekends
- Must be physically able to climb ladder & able to clean out dump box (shovel)
- Must have 5 years DZ dump truck experience
- Ability to effectively communicate with customers, coworkers and dispatcher
- Must be able to follow directions and work in high traffic areas such as GTA
- Aggregate experience an asset
- Must speak fluent English

Job Type: Full-time

We appreciate all applicants received; however, only those selected for an interview will be contacted
